## Dr. Doyle Appointed Inter-American **Center Director**

### To Supervise Training For U. S. Officials in Hemisphere Dealings

Dr. Henry Grattan Doyle, dean of Columbian College of George Washington University, has been named of the Inter-American sponsored by the Office of the Coordinator of Inter-American Affairs and administered by the American Council of Learned Soci-

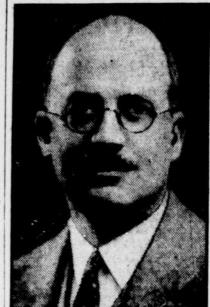

Dr. Doyle, it was announced by A similar center is planned for Philadelphia, to be headed by Dr. Rex Crawford of the Wharton School of Finance and Commerce at the University of Pennsylvania.

For Government Officials. The purpose of the new project is to offer tuition-free instruction in Randall Junior High languages, Latin-American background and specialized studies for Diplomas Go to 120 recommended Government officials. The courses, already in progress in rooms in the Library of Congress rooms in the Library of Congress
Annex and several Government de- In Graduating Class partments, are for persons being sent on Government missions to other American republics. They will be open so far as facilities permit to all persons active in the promotion of better hemisphere relations. Dr. Dovle's new office is in the Library of Congress Annex, from which he is directing the new Washington

The two training centers will offer Intensive, non-academic instruction and emphasis will be placed on individual needs, especially when time for training is short. They will eouip men to accomplish their missions more effectively and, for those not going to the field, will provide training in languages and problems affecting their work.

Consultants to Be Provided. The teaching personnel is com-posed of carefully selected, recognized experts in the Latin American field. Consultants for special subjects will be available.

Dean Doyle is an authority on Latin American affairs. He is professor of romance languages at the university and is the author of humerous articles, translations and

Dr. Doyle, it was announced by the university today, has been granted a year's leave of absence.

A similar center is planned for Inter-American Training Center should direct their letters of application to Dean Doyle, Room 128, Library of Congress Annex.
